

PROGRAM DONATION GUIDELINES

First of all, thank you so much for considering us for your event or group! At Back to the Wild, we take great pride in the quality of our educational programs. With highly trained staff, a variety of wildlife ambassadors, and fun facts to share, we make sure your group will have a great time learning!

Programing is a big part of how we raise money to care for our wildlife, keep our doors open to injured animals, and continue our mission of community outreach. By having us present for your event or group, you're helping us make a difference! Each program fee is set to cover the costs to our center as well as help us raise money to purchase food, medications, enrichment tools, caging, and pay for the general care and housing of our over 100 wildlife ambassadors and the thousands of new wildlife patients we rescue each year.

To learn more about the types of programs we offer and the cost, check out our "Menu" below! And as always, without YOU, there is no us for THEM!

*****There will be times that some ambassadors will not be available for programs due to seasonal behavior or some other concern. We strive to present a full program every time but we must always consider our ambassador's health first.*****

*****Please see our PROGRAM FAQ sheet for information on what we need in order to set up at a venue you have chosen. Due to our use of live animals, we need certain amenities to ensure their safety and the safety of the public*****
